ADVISORY & DISCLAIMER
COLORED/STAMPED CONCRETE IN RIGHT-OF-WAY

Date: _____

Property Owner: _____

Property Address: _____

Tract: _____ Block: _____ Lot: _____

Application No. _____

The above named property owner is hereby advised that should access be required to the City right-of-way due to repair of public roadways, sewer installation or maintenance, water main repairs, or for any reason, this may necessitate removal of the owner's stamped and/or colored concrete within the City right-of-way. Lake Havasu City will in no event be liable for replacement of the stamped and/or colored product and shall replace driveways and/or aprons with standard gray concrete only.

In the event the stamped and/or colored product needs replacement due to repair of public roadways, sewer installation or maintenance, water main repairs or for any reason, the owner has the option to have the standard concrete upgraded to the original stamped and/or colored product at the owner's expense. If the owner chooses to replace the stamped and/or colored concrete, the owner must arrange to hire a properly licensed contractor to perform the work and obtain a permit from the Public Works Department, Engineering Division. The owner or contractor must also call for all required inspections.
