CONTRACTOR OWNER PLEASE CHECK PERSON RESPONSIBLE FOR WATER SERVICE BILLING. The undersigned applies for water service subject to all rules and regulations of the City.

CONTRACTOR/AUTHORIZED AGENT. I accept responsibility that work to be conducted under an issued permit conforms to plans submitted in conjunction with this application and in accordance with Lake Havasu City codes. Occupancy or use of any structure is not allowed until a Certificate of Occupancy is issued. Failure to comply with this requirement may result in a civil infraction being filed. **This permit application is filed on behalf of the property owner and the application and all accompanying plans and documents may be revoked or transferred at any time by the property owner.**

OWNER/BUILDER. I am exclusively contracting licensed contractors to construct the project or I or my employees will do the work. I understand that I must own the home for a period of one (1) year following completion prior to renting, selling, or leasing the residence. Occupancy or use of any structure is not allowed until a Certificate of Occupancy is issued. Failure to comply with this requirement may result in a civil infraction being filed.

OWNER/APPLICANT FOR DRIVEWAY OR BACKFLOW PERMIT. I acknowledge and understand installation must be performed by a licensed contractor and that proof of contract may be required at the time of inspection.

I am authorized to file this application and the information is accurate and true to the best of my knowledge.

Signature _____ Date _____

- All information **must be filled in completely** and **must be legible** or this application will not be accepted.
- Changes may result in additional plan review fees.
- **PERMIT EXPIRES** 180 days from issuance (with no required inspections) or 180 days from last required inspection. **Plans in re view status may be destroyed if not resubmitted or issued within 180 days.**
- **No refund** of plan check fees will be granted if plans have been reviewed by Plans Examiner. **Permit fees may be refunded** at 80% within 180 days of permit issuance if no work has commenced.
- Consult with Mohave County Health Department concerning septic tank installation and percolation tests: kgmpersmitstaff@mohavecounty.us.

IRRIGATION METER ADVISORY & ACKNOWLEDGEMENT

1. A backflow prevention device (aka cross connection control device) must be installed on an irrigation meter by a licensed plumber.
2. The backflow device must be tested by a certified tester prior to being placed into service and on a yearly basis thereafter.
3. The owner is responsible for all costs associated with the installation and testing of a backflow prevention device as well as the costs to connect the irrigation system to the City installed irrigation meter. These costs are paid directly to the contractors hired by the owner.
4. The costs associated with the installation of the irrigation meter and the monitoring of the backflow prevention device charged by the City and paid to the City by the owner are:
 - A. Irrigation Meter Installation: fees are determined by the Water Division (after application submission) based on various determining factors. Current fees range from \$500 to \$4,500.
 - B. Backflow Prevention Permit: - \$185.
 - C. Cross Connection Control Device Monitoring: monitoring fee, per device, is \$2.75 per month (\$33 annually) included in the owner's water bill.
5. The rates for water flowing through an irrigation meter differ from the regular domestic water rates (i.e., water 0 - 1,300 cf = \$1.35, irrigation 0 - 1,200 cf = \$1.76). However, sewer rates are not charged for the water flowing through an irrigation meter.
6. With the existence of an irrigation meter, all water rates are charged based on actual consumption (winter quarter averaging does not apply).

I acknowledge receipt of this Advisory and Acknowledgement and agree to abide by its provisions.

PROPERTY ADDRESS: _____

OWNER NAME (Please print) _____

OWNER SIGNATURE _____ DATE _____

NOTE: This acknowledgement, signed by the owner, must be received by the City prior to issuance of the backflow prevention permit and installation of the irrigation meter.

If you have any questions, call the Water Division at (928) 855-2618.

Additional information on rates and regulations can be found in brochures "*Monthly Sewer Charge Calculation*" and "*Water & Trash Rates and Regulations*" which can be obtained at City Hall or on the City's website at lhcaz.gov and search Water & Trash services.
